Our Core Business Segments

With over 26 years of successful growth, Atlas Air Worldwide (AAWW) continues to innovate in a number of key business segments—all focused on providing pioneering solutions that help our customers grow their businesses.

ANNUAL OPERATIONS

| | | | |
|----------------------|---------|-----------------------|-----|
| Total Flights..... | 65,000 | Total Countries | 100 |
| Total Block Hours... | 320,000 | Total Airports..... | 400 |

AAWW is the parent company of Atlas Air, Inc., Southern Air Holdings, Inc., Titan Aviation Holdings, Inc., and majority owner of Polar Air Cargo Worldwide, Inc. We offer flexible, reliable turnkey air cargo solutions to keep your business moving nonstop, including:

- ACMI
- Commercial Charter
- CMI
- Dry Leasing

OUR GLOBAL OPERATING NETWORK

The world's largest provider of ACMI freighters for lease.

Expand your capacity, access state-of-the-art aircraft, and increase your presence in global markets through an ACMI (Aircraft, Crew, Maintenance and Insurance) arrangement with the industry leader. You'll have all the benefits of a dedicated aircraft without the liabilities of ownership.

- Technologically advanced aircraft without high capital investment
- Unmatched global footprint provides worldwide support
- Full range of Boeing aircraft for cargo and passenger solutions
- On-time performance, reliability and operational expertise

Scale, scope and flexibility provide options for customers.

Through our CMI service (Crew, Maintenance, Insurance), we provide crews, maintenance, and insurance for your passenger and freighter aircraft. This allows you to ramp up operations quickly and benefit from our global operating platforms and excellent on-time performance.

- Turnkey and cost-effective solutions for both cargo and passenger aircraft
- Crewing, maintenance and fleet economies of scale
- Industry leading operational and technical expertise
- Adds immediate value and flexible network solutions

Providing critical cargo lift and passenger comfort.

Whether it's product launches, perishables, outsize cargo or discerning VIPs, whatever you need, our custom-made solutions serve the most demanding customers and supply chains.

- Ad hoc or charter programs
- Tailor-made customer solutions
- Global footprint provides unmatched operational support
- Expertise in outsize and specialty freight
- Customized in-flight experience for VIP passengers
- Complex ground support and security

Our in-depth knowledge at work for you.

Titan Aviation is a freighter-centric leasing company focused on the acquisition, sale, dry leasing, sale-leaseback, marketing, and servicing of commercial aircraft and related equipment.

Titan is ranked by Airline Business among the top global aircraft leasing companies by asset value. Customers range from international flag carriers, express operators and e-commerce providers, low-cost airlines, and regional and domestic carriers.

- Deep domain expertise and innovative aviation solutions
- Leasing expertise to help expand capacities and market presence
- Access to capital markets to help drive efficiency and growth
- Innovative asset management solutions
- Leading-edge commercial aircraft with superior operating economics
