

Delivering Excellence in Air Freight Services and Logistics

Around the world, each and every day, leading shippers, integrators, freight forwarders, manufacturers, and other organizations depend on Atlas Air to safely, efficiently and cost-effectively carry their cargo on charter flights.

Atlas Air offers charter options that can be tailored to your specific requirements. With our Boeing 747-400F/-8F cargo aircraft, Atlas Air offers high-quality on-time service, extensive operational knowledge, and global expertise in transporting all-sized goods around the globe.

Atlas Air's custom-made solutions serve the most demanding customers and supply chains from one-time, ad hoc charters to extensive long-term charter operations.

B747-400F

Powering Time-Definite Industries

Atlas Air delivers time-sensitive products and equipment to major markets around the globe:

- Technology and consumer goods
- Retail and high-end fashion
- Fresh flowers and perishables
- Infrastructure equipment
- Drilling and excavation equipment
- Entertainment charters: major concerts, shows, and exhibitions
- Motor sports events
- Pharmaceuticals
- Livestock

Newest Fleet

Atlas Air operates the world's largest fleet of Boeing 747 Freighters—both 747-400s and 747-8Fs. They are maintained to the highest standards, providing dispatch reliability for flights at a moment's notice. Our fleet is equipped with state-of-the-art technology, and provides our customers real-time monitoring applications including live temperature control updates.

Outsize and Specialty Freight

Atlas Air has extensive experience carrying outsize and specialty freight across the globe. From oil and gas, sea containers, and complex heavy machinery, Atlas Air can support all types of advanced cargo.

AOG Coverage/Humanitarian Aid

Atlas Air's fast reacting operations team can mobilize and support AOG aircraft and humanitarian efforts at a moment's notice.

COMMERCIAL CHARTER BENEFITS

- Ad hoc or charter programs
- Tailor-made solutions
- Customized in-flight VIP experiences
- Global footprint and unmatched operational support
